

# HOW TO MAKE YOUR OWN **AMONG US** SHRINKY ART KEYCHAINS

1. IF YOU WANT TO USE COLORED PENCILS FOR YOUR DESIGN, YOU WILL NEED TO SAND DOWN ONE SIDE OF THE PLASTIC PAPER WITH SANDPAPER. THIS CREATES A TEXTURED SURFACE SO THE PENCILS WILL WORK. IF YOU PLAN ON USING SHARPIE OR PAINTER'S PENS TO COLOR YOUR DESIGN, PROCEED TO THE NEXT STEP.

2. TAKE THE SHEET OF CLEAR SHRINK PLASTIC PAPER. TRACE THE DESIGN YOU WANT ONTO THE PAPER. YOU CAN USE THE ONES PROVIDED OR CREATE YOUR OWN. (KEEP IN MIND, THE DESIGN WILL SHRINK DOWN TO 1/3 OF IT'S ORIGINAL SIZE.)

3. COLOR YOUR DESIGN WITH SHARPIES OR PAINTER'S PENS. (IF YOU SANDED DOWN YOUR PLASTIC PAPER, YOU CAN ALSO USE COLORED PENCILS.)

4. CUT OUT YOUR DESIGN. YOU CAN CUT IT CLOSE TO THE EDGE OR CUT IT WITH SOME SPACE AROUND IT. WHATEVER YOU CUT, REMEMBER, THIS WILL SHRINK DOWN TO 1/3 THE ORIGINAL SIZE BUT KEEP ITS SHAPE.

5. PUNCH (OR CUT) A HOLE IN THE TOP OF THE DESIGN. REMEMBER, IT IS OKAY IF IT LOOKS A LITTLE TOO BIG FOR THE KEYCHAIN. IT WILL SHRINK.

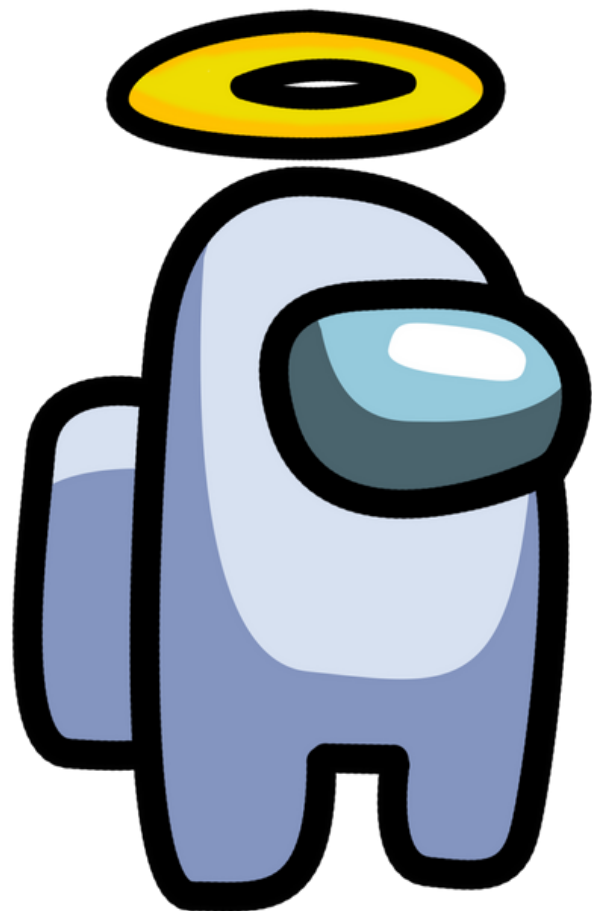

6. PREHEAT OVEN TO 329 DEGREES. SET YOUR DESIGN ON A PIECE OF PARCHMENT PAPER ON AN OVEN SAFE TRAY. BAKE FOR 3-5 MINUTES. (YOU MIGHT WANT TO TEST OUT A SCRAP PIECE OF PLASTIC PAPER FIRST TO SEE HOW LONG IT TAKES YOUR DESIGN TO SHRINK IN YOUR OVEN.)

7. WHEN FINISHED, YOUR DESIGN MIGHT TRY TO CURL UP A BIT AT THE SIDES. AS SOON AS YOU TAKE IT OUT OF THE OVEN, PLACE SOME MORE PARCHMENT PAPER AND SOMETIME HEAVY ON TOP TO FLATTEN IT. NOTE: IT WILL BE VERY HOT.

8. ONCE COOL, ATTACH YOUR KEY RING TO THE DESIGN USING THE METAL HOOKS PROVIDED. YOU MIGHT NEED A PAIR OF PLAYERS TO CLOSE THE METAL LOOP. (YOU CAN ALSO JUST USE SOME STRING OR RIBBON TO ATTACH IF METAL BENDING ISN'T YOUR SPECIALTY.)

FOR MORE HELP, WATCH THE YOUTUBE VIDEO:  
"DIY AMONG US SHRINKY DINKS / KEYCHAINS" BY MABEL TEA

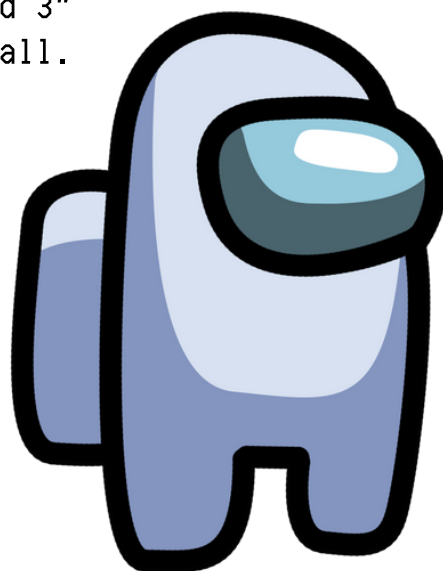

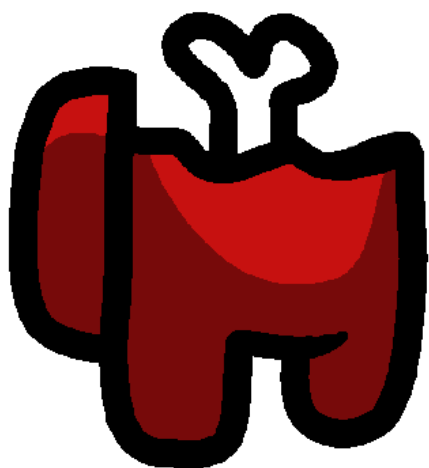

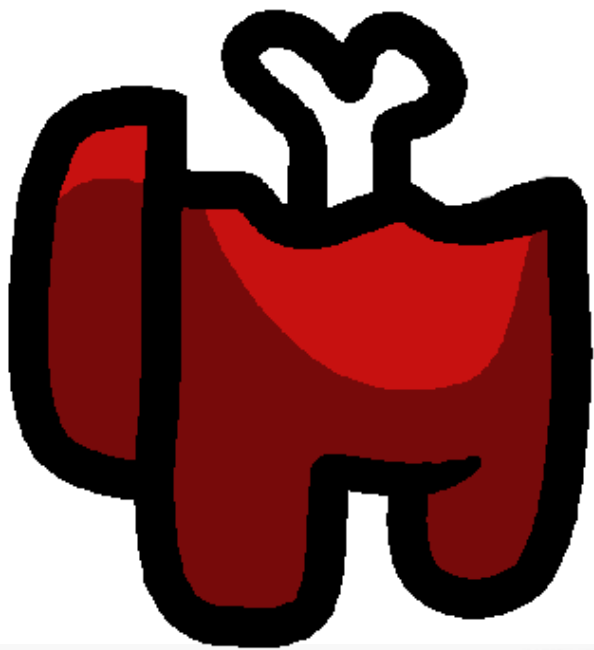

Designs that are  
larger around 4.5"  
should end up  
around 1.5" tall

Smaller designs around 3"  
will end up about 1" tall.

You can customize  
your character by  
making it your  
favorite colors  
or giving it an  
awesome outfit!

If you don't use  
keychains, you can also  
turn these designs into  
earrings, charms, pins,  
or magnets!
