

Umbrella Technology Policy

The Kirkwood Public Library strives to create a collection of technological and electronic items that are on the leading edge of trends, are in demand by our community, and promote accessibility. Evaluating and evolving this collection to meet the needs of our community is a priority. Items for the technology collection will be determined by staff.

KPL Technology Borrowing Guidelines:

- Patron must have less than \$10.00 in fines on their Library account.
- For patrons under 18, a parent or guardian must be present to provide signed permission for check out.
- Technology items may be placed on hold, but must be picked up and returned to Kirkwood Public Library.
- The Library will not be held liable for any injuries or damage to self or personal property as a result of Technology item use. Individuals using Technology items agree that they do so at their own risk.
- The Kirkwood Public Library is not responsible for breaches of personal information, or online accounts that may occur from an individual's use of the Library's Technology devices.

Overdue Fines and Replacement Costs:

Patrons are responsible for any overdue fines and replacement costs. Fines for overdue Technology items are \$1.00 per day, per item up to \$28. Replacement costs for Technology items plus a \$5.00 processing fee will be charged at 28 days overdue. If an item is returned missing a part that can be replaced the patron will be charged the cost to replace that item as recorded in the item record or determined by library staff. Technology items returned to the bookdrop or another library will be assessed a \$25.00 fee. A \$10.00 fee will be assessed to patrons who reset or render unusable a device that can be restored. If the device is rendered completely unusable by the altering of settings the patron will be charged for the full replacement of the device.

Loan Periods and Renewals: Technology items will check out for a period of 2 weeks with 2 renewals.
